LINEAR ACTUATOR CONCEPTS

A Phoenix Mecano Brand

**The investment in capital equipment is one of the greatest expenditures that a business will undertake.**

The Alrick Healthcare Service division was established to cater for:

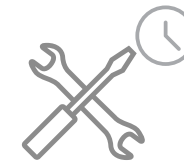

- Most brands and models
- Ongoing maintenance
- Preventative maintenance

As part of Alricks' client commitment, we offer maintenance contracts to keep your equipment in top working order with a minimum of business interruption.

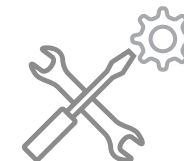

An Alrick Service contract extends the life of capital equipment while ensuring your equipment continues to deliver the best possible performance.

The trained staff of Alricks Healthcare Services division are certified in a variety of disciplines, including:

- Test and Tag
- Linak
- Lifters (mobile)
- Volker diagnostic software

- Maintenance
- Preventative
  - Annual
  - Customised service intervals

- Repair work
- Call outs
  - Contracts
  - Fast turnaround
  - Rural and metro

- Equipment Audits
- Stocktakes
  - Serial numbers
  - Features and condition
