

Folds up for space saving

Drop down safety rail

Remote Infa red handset

**'MANUFACTURED TO EXCEED  
AUSTRALIAN STANDARDS'**

The MONTAR fold-up exam couch will introduce space saving efficiencies and integrate seamlessly into your facilities. The MONTAR incorporates Linak's state of the art actuator to achieve a 350mm low height and 950mm high height for ergonomic transfer of the patient from couch to stretcher. With industry grade upholstery and the frame is treated with an anti-bacterial polyester powder coating.

- Sleeping Surface - 1880 x 700mm

## MONTAR MAINTENANCE

No specialist trades are required for servicing or repairs; existing building maintenance staff or local handymen will be supported via Alrick Technical Support on 1800 282 001. The MONTAR is designed with modular components; if one component fails, maintenance costs are reduced with the replacement of components only, versus the whole unit.
